Spring/Summer 2019

A MESSAGE FROM MAYOR RALPH A. SCORDINO

Happy Spring to all! Though we escaped the winter of 2019 without significant snow accumulation, it's always a relief to have the worst of the weather behind us and the best ahead of us. As always, our Babylon Village maintenance, sanitation and DPW crews worked through the winter ensuring our roadways, sidewalks and municipal parking lots were safe for residents and visitors. Kudos for their diligence and effort. The welcome sights of spring and summer are everywhere. The E. Donald Conroy Golf Course is in excellent condition and open for play and the Village Pool is in better shape than ever, opening for the season on **June 28th**.

The Babylon Village Little League kicked off their season on April 2 with our playing fields in terrific shape, thanks to the combined efforts of Skip Gardner, our Village Highway Crew and many dedicated volunteers. The addition of a new scoreboard, dedicated to Village of Babylon First Responders, enhances the appearance of our fields and I urge everyone to stroll down one afternoon and catch some of the action. It's quintessential small-town living at its best.

April 27th was officially designated as Arbor Day in Babylon Village. The Babylon Beautification Society sponsored the official celebration at the Baymen Statue that included tree plantings, distribution of educational material and participation from the Babylon Village Elementary School students. That same day, a Birthday Celebration in honor of Guglielmo Marconi, the inventor of the wireless transmission, was held in the Village, sponsored by the Great South Bay Amateur Radio Club in conjunction with the Long Island Amateur Radio Club and the Marconi Lodge of the Sons of Italy.

Ongoing improvement projects continue throughout our Village, including the new renovation of our Village greenhouse. Skip Gardner and his crew will undertake several projects in the near future including milling and resurfacing Bayview and Green Avenues, and raising East Shore Drive from Harrison Avenue to Little East Neck Road South as well as the south end of Lighthouse Road. New bulkheading will be installed on Araca Road at the recently acquired Dalton Point Association property with funding from New York Rising. Also, the installation of new playground equipment on Park Avenue will be completed in the upcoming months.

A big "Thank You" to volunteers of Save the Great South Bay for coordinating their spring cleanup on Saturday, April 13th.

Our Village is one of Long Island's most picturesque. Take a stroll through our vibrant downtown, visit the Sunday *Farmers Market* beginning **June 2nd**, shop locally and enjoy the numerous entertainment and recreation opportunities Babylon offers. If you haven't already, I urge you to attend a show at the wonderful Argyle Theatre, which offers Broadway-quality entertainment right on Main Street. Come out and enjoy a summer evening at one of the three block parties sponsored by the Chamber of Commerce on **June 13th**, **July 18th** and **August 29th**. The upcoming 13th Annual *Dirty Sock Run* sponsored by our local Rotary Club will take place on **August 11th** along the greenway from Park Avenue through Southards Pond to Belmont State Park. The Rotary and Hapi Auer hope to exceed last year's number of participants as proceeds benefit our Village food pantries.

On behalf of the Village Trustees - Kevin Muldowney, Anthony Davida, Mary Adams and Robyn Silvestri, I send good wishes for health, happiness and humor to all. Let us know of any concerns you may have regarding the Village. Your comments are always appreciated and your ideas always taken under consideration. We will continue to work tirelessly to ensure Babylon Village is the best it can be.

Many thanks to all those who participated in this fundraiser, which earned the Conklin House over \$2,000. All proceeds are used to maintain our historical home and expand programming.

The ever-popular *Afternoon Tea* was held on Sunday, April 28th with guests enjoying a variety of specialty teas along with savory and sweet treats prepared by members of the Conklin House Steering Committee aka Conklin Caterers. Guests were treated to a lovely presentation on floral arrangements by Antoinette Maionini. Many thanks to our chairpersons Ginger Behrens and Jeanne Kugler.

VILLAGE GOLF NEWS

Trustee Kevin Muldowney reports that the E. Donald Conroy Golf Course at Sumpwams Creek anticipated opening date of March 17th had to be pushed back a week due to the long and cold winter we had. Head Greenskeeper Tom Steffan and his crew have managed to bring the course back to great shape and ready to play.

This unique golf course has holes ranging from 100 yards to 185 yards, five elevated greens and a pond which comes into play on several holes. It's a great place to work on your short game or to launch your golfing career. It's also an excellent venue for small group outings for businesses and organizations. Call the course if you have any questions.

The Women's League begins their 19th season this year while the Men's League starts its 16th season. The leagues continue to thrive, with both groups growing in membership and adding various outings and tournaments. Anyone interested in joining either league can contact the golf course.

Local pro Mike Reilly will be back for his 6th year and will be providing lessons and clinics during the course of the year. He will also be holding his summer junior clinic. Come by the course and pick up the latest information on all Mike's programs.

Gift certificates are available and make wonderful Mother's Day and Father's Day gifts. They can be purchased at the course or at the Clerk's Office at Village Hall.

All senior citizens receive a \$2 greens fee discount on weekday mornings from Monday to Friday. For information on clinics, lessons, outings or any other golf course questions, call Sumpwams Creek at **631-669-2340**.

OUT AND ABOUT IN THE VILLAGE

NEWS FROM THE VILLAGE CLERK'S OFFICE

Landscapers: All landscapers working in Babylon Village must obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.*

It is the responsibility of property owners to make sure any contractors hired are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

BUILDING DEPARTMENT NEWS

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon. **Existing and new in-ground pools require surface alarms.**
- **Pumping swimming pool water into streets or street drains is prohibited.**
- State code requires that carbon monoxide alarms be installed in all new and existing buildings. More information on this code is available at www.dos.state.ny.us/CODE/COAlarm.htm
- All new and altered driveways require Planning Board approval.

For all questions regarding Village building code issues, please contact the Building Department at [631-669-1300](tel:631-669-1300).

TREE PLANTING PROGRAM

Babylon Village offers residents a Street Tree Planting Program. **Trustee Mary Adams** reports the 2018 initiative was very successful and reminds residents that applications for the 2019 Tree Planting Program are being accepted **through September 21st** and can be obtained at the Mayor's office. Residents are required to complete an application to request trees to be planted at the curb line in front of their homes. For further information, please call [631-669-1212](tel:631-669-1212).

"CELEBRATING PARENTS" IN BABYLON VILLAGE

The Village of Babylon and The Babylon Arts Council invites children of all ages to the first "Celebrating Parents" afternoon on Saturday, **June 18th from 1 p.m. - 3 p.m.** at the Village Gazebo!

Enjoy a fun-filled afternoon where children can show love and appreciation for their parents with "sidewalk chalk art" and a chance to display their artsy talents too! Refreshments and snacks will be served. (Raindate: Sunday, June 19th)

2019 TAX RATE

Mayor Ralph Scordino reports the Village Board of Trustees will not increase the tax rate for the fiscal year beginning June 1, 2019.

*Tax bills will be mailed on or about May 11th. If you do not receive your bill and your mortgage company does not escrow payment, call the Tax Receiver's office at [631-669-1500](tel:631-669-1500). If you recently purchased property, call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the changes of ownership from the County Clerk's office. **Taxes are due June 1st, 2019.** Check the legal notice in THE BEACON or visit our website in May for a more detailed explanation.*

SANITATION DEPARTMENT NEWS

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at [631-669-4878](tel:631-669-4878).

Yard Waste (leaves, plant clippings, - anything that grows) should be separated from all other rubbish and placed in a clear plastic bag for pick-up on your regular rubbish day. This is mandated from Babylon Town, which runs the landfills we use. There can be no plastic pots, plant tags or other non-green contaminants in yard waste bags or the bags will not be accepted and left at the curb.

Metal Objects When putting out metal objects for pick-up **you must call ahead** to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills and BBQ grills.

Place your rubbish between the sidewalk and the curb not earlier than 6 p.m. the evening before nor later than 7a.m. the morning of collection day, and remove empty containers from the curb. **There is no garbage collection or recycling of any kind on weekends and holidays.** When rubbish or recycling collection falls on a holiday, please do not put items out for pickup until your regularly scheduled day the following week.

Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind should be bagged by the resident and placed in your yard until your regular rubbish pick-up day.

ARE YOU A NEW BABYLON VILLAGE RESIDENT?

The Babylon Village Newcomers Committee welcomes all our new residents to Babylon Village! On **Saturday, June 29th**, from **1:00 p.m. - 4:00 p.m.**, a *Summer of Fun Event* will be held at the Babylon Village Pool for all new residents of Babylon Village. Bring the whole family and enjoy the Village Pool, too! Keep checking your mailbox for your personal invitation to this event!

FARMERS MARKET RETURNS JUNE 2nd

The very popular Village Farmers Market returns to the northern parking area of the Babylon train station. Each Sunday from **8 a.m. - 1 p.m.** from **June 2nd through November**, the market features local businesses offering a wide selection of vegetables, jellies, jams, pickles, sauces and much more.

This is a great way to purchase farm fresh produce and other Long Island-made goodies while supporting local agriculture and business.

Residents may drop off acceptable household pollutants: latex, oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. In addition to household pollutants, **September 21st** also offers residents a chance to protect their identity and personal information by bringing down papers and documents for secure shredding. The Village will dispose of them according to environmental codes. **Shredding is 1 p.m. - 5 p.m. only.**

Street Lighting

Under a cost-saving shared service agreement, **Trustee Robyn Silvestri** and the Village highway crew collaborate with the Town of Babylon to maintain our street lights, keeping our streets safe and well-lit.

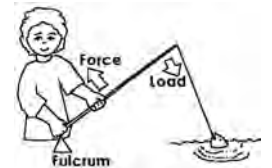

Based on resident feedback, the Village recently installed three old-fashioned lamp posts along the walkway at the eastern end of the LIRR station near the Conklin House.

If you notice a Village streetlight not working by your home or business, please call **669-1212** to report it for repair. Please note the address or cross-street where the light is located.
