

The Business District Parking Committee for the past 27 years has been diligently pursuing the problems of parking on the streets of our Business District. In our continuing effort to better monitor the needs of our Business District, the employee parking permit program will continue.

- ⌞ Employee permits will continue to be issued by the Chamber of Commerce. All applications are to be submitted to: Donna Consola at the Beacon Newspaper office located at 65 Deer Park Avenue. A blank application is enclosed. Please review this letter and the application for instructions and policies.
- ⌞ The fee of \$35 for each permit issued must be enclosed with the application, \$15 of which will be kept by the Chamber of Commerce to be used to enhance the business district. The Village will continue enforcement and upkeep of the parking spaces.
- ⌞ A copy of the car's registration must be included w/the application.
- ⌞ Permits are limited to one per family name – a New York State 4 Employer Weekly Report is needed as proof of spouse or kin employment.
- ⌞ A check (or cash) for \$35 must be submitted for each application. Make check payable to the Babylon Village Chamber of Commerce. *Please Note: Multiple payments from a business can be submitted with one check.*
- ⌞ To ensure receipt of your parking permit by the February 28th expiration date, please submit your application by January 31st.
- ⌞ It is up to each employer to decide whether to cover the cost, or have each employee pay for their permit. If employment is terminated for any reason, it is up to the employer to ask for the return of the parking permit decal - even if in pieces.
- ⌞ Refunds will only be issued if duration of permit is less than 2 months. (No refunds will be given if permit decal is not returned)
- ⌞ If you get a new car during the yearly time frame, you must turn in the old permit along with a copy of the new registration in order to obtain a new parking permit. Failure to return the old permit, will result in an additional \$35 payment.
- ⌞ Any questions, please call Donna Consola at 631-587-5612.

Please fill out the application, sign it, have your employee sign it, and inform your employee to park in the spaces so designated. Please be advised, due to the increasing number of requests for these permits, they are issued on a limited basis, and you should be selective as to which employees are entitled.

Thank you for your continued cooperation in this program.
