PRESENT BOAT SLIP # (2020 Season 4/2020-10/31/2020) _____

I hereby apply for winter mooring, for the period of November 2020 through March 2021. (If this is not your designated boat slip for the spring/summer season, you MUST REMOVE YOUR BOAT FROM THIS WINTER MOORING SLIP BY MARCH 31, 2021.) Failure to do so may result in either receiving a summons or towing of the boat.

I understand this is for mooring over the winter, and the Village of Babylon will not be held responsible for any damage to my boat caused by extreme weather conditions, etc. The Village of Babylon Dock Regulations pertain to Winter Mooring as well, with the exception of the “season.”

I understand the rules state “No boats at any Village Dock shall be covered by means of shrink wrap, canvas or tarps.”

It is also understood that if my boat is not removed by March 31, 2021 (March 24th if you were in a sublet for winter mooring and do not yet have a permanent berth for the 2021 summer season), I will be summonsed and the boat may be towed. I will also forfeit my privilege for a boat berth for the summer season. By signing this application I acknowledge that I have read the regulations above.
