Chapter 365 Section 13 Subsection D of the Village of Babylon Code is hereby amended to read as follows:

Legislative Intent

The Village Board has determined that it is necessary to maintain and improve its residential zoning districts. The Village Board recognizes the negative effects of poor planning which include overcrowding in Village streets, neighborhoods and schools, safety concerns, excessive noise, litter and traffic, burdens on municipal services, and other detrimental impacts on the suburban residential quality of life. The Board of Trustees finds that this amended chapter is aimed to improve public health, safety, welfare and good order and that the governance of the Village will be enhanced by enactment of the regulations set forth in this article.
