

On Saturday, March 14<sup>th</sup> 2020, Mayor Ralph Scordino declared a State of Emergency in the Village of Babylon regarding the ongoing spread of COVID-19, or the coronavirus. This order will ensure that the Village of Babylon is able to acquire all items deemed necessary to sanitize its facilities and do its part to prevent the spread of the virus.

At this time, we are urging residents to avoid visiting Babylon Village Hall for any non-essential or non-urgent business and instead call or utilize online services. The Mayor's office can be reached at (631) 669-1212.
