Our summer programs have been a tradition for children to enjoy for over 25 years and we are pleased that your family will be a part of our 2025 summer season!

As we are happy to be offering programs for our Village children to enjoy during this summer season, there are certain guidelines and protocols that will need to be followed for each program to ensure safety and good health for all our campers, coaches and directors.

Please read through the packet and the following guidelines, as well as the additional material provided. Any questions or concerns, please always feel free to contact us.

We are all looking forward to an enjoyable, healthy and safe Science Friday program season!
