#### HOW IT WORKS

- Babylon Village Arts Council is partnering with the Village of Babylon Historical & Preservation Society to present an exhibition of **Babylon Village Then & Now** in conjunction with **Town of Babylon 150th Anniversary**.
- Artists can recreate or capture through photography, painting, drawing, or collage a historic building or home within the Village. Porches, doors, churches and architectural details can be the focus.
- Artists will submit their work and can include a brief written description, history or story that accompanies the structure as well as a historical photograph.
- Community members can share historic images 'Then & Now' of their homes, businesses or of the local area to be included in the exhibition.
- The Babylon Historical & Preservation Society will assist with research and display.
- Images then and now will be displayed side by side and represent a visual history of the Village.

IF SELECTED, YOUR ARTWORK WILL ALSO BE INCLUDED IN A DIGITAL EXHIBITION.  
A LIMITED NUMBER OF ARTISTS WILL BE SELECTED FOR THE EXHIBITION.
