SANITATION NEWS

In January 2024, our new Sanitation schedule will go into effect. Rest assured, the Village of Babylon will continue to provide back-door garbage pickup.

This new Sanitation system will be more efficient, less stressful, and more cohesive for our Village residents, while also saving taxpayer money.

Babylon Village residents will have set and specific garbage/rubbish and household trash pickup days. The same days will be for every week. Recycling will also be a specific day of the week throughout the Village. For those residents who currently experience no pickup due to a holiday, the trash will now be picked up the following day. **THERE IS NO GARBAGE, RUBBISH, OR RECYCLING COLLECTION ON SATURDAYS, SUNDAYS, OR HOLIDAYS.**

Please mark the following dates on your calendar: Saturday, November 18th at 10am and Wednesday, December 13th at 7:30pm. These dates will host informational meetings on the new Sanitation system. We encourage all our Village residents to attend these informational meetings at Babylon Village Hall. If you are unable to attend and you have questions, we ask that you please call our Sanitation Department at **631-669-4878**.

Enclosed is our newly designed Sanitation calendar. Residents will find answers to all their questions regarding Sanitation pickup in the Village of Babylon as well as other helpful Sanitation related information.

Wishing you all a very Happy and Healthy New Year!

Mayor Mary Adams and the Village Board of Trustees

VILLAGE OF BABYLON SANITATION DEPARTMENT 631-669-4878

We strongly encourage our Village residents to **CALL** us with any questions or concerns you may have. While social media can be a great tool, a quick phone call gives us the opportunity to answer all your questions quickly and thoroughly.

IMPORTANT GENERAL PICKUP INFORMATION

- Use only standard 32-gallon pails with lids, molded handles, and no tie-down straps. No material can be above the top of the can.
- The night before, please put items at the curb within one foot from the street in front of your home.
- Do not store material at the curb. Only put out material that will be collected that day.
- Multi-family homes should put all material at one spot per house.
- Keep all garbage cans, bags and bundles under 50lbs.
- Do not use the blue recycling can for garbage or newspapers.
- Make sure your garbage cans are clear of any parked vehicles. Materials should not be placed at the side of any vehicle.
- If you still have questions about how to properly dispose of your garbage, please call the office at **631-669-4878**, we're here to help.

REMEMBER:

Please **DO NOT** place any garbage or material out to the curb for pickup before 6pm the day before the specific collection. Please put only the material to be collected at the curb. Excessive amounts of material may not be picked up. Please follow the enclosed guidelines or call the office with any questions **631-669-4878**.

RECYCLING PICKUP INFORMATION
