## WELCOME TO SUMMER 2024, BABYLON VILLAGE!

From our marinas to our Village Golf Course, our Summer Recreation Programs to our Pickleball Lessons... not forgetting our summer concerts at the Gazebo and our "Jewel on the Bay," the Gilbert C. Hanse Municipal Pool. Babylon Village has it "going on" with so many programs, events, and block parties to enjoy! Be sure to register your children and family for all the events in this family fun filled newsletter.

Along with our BV summer happenings, we have some exciting things taking place in our downtown as well. As of this newsletter "The Pizzeria" on Cooper and Main Street has deliciously opened and has been a beautiful addition to our Village! The long-awaited restaurant "The James" (formerly the Carriage House) is now open and a perfect place to dine before or after a show at the Argyle Theatre!

Get ready for this Babylon Village...coming to our downtown is "Southside Fish and Clam Restaurant" complete with a seafood market and a clam and oyster bar in a beautifully designed and new upscale building to be built at the former Guru/ Sweet Street property on Deer Park Avenue. Look for this Grand Opening in mid-2025.

We are looking forward to a variety of retail shops also in our downtown with the new ongoing development projects at the sites of the Laundromat and Loman's and on E. Main Street next to LaLa Playland.

Our infrastructure continues to be a priority as Grove Place and areas of Deer Park Avenue are boasting new sidewalks and new red pavers. Grove Place has also received a new road and tree plantings as well.

The George Street parking lot is scheduled for the Spring to be redone along with municipal lots being renumbered and relined and the Shore Road project is nearing the finish line also.

The list of projects in our Village is quite the list and is ongoing to continue to provide all the services our Village residents enjoy and most important...to continue to provide the quality of life our Village residents are proud of.

A Village welcome to our new residents that have chosen Babylon Village to live, enjoy and raise a family and a sincere welcome to our new businesses who have chosen Babylon Village to create a successful business in:

- The Pizzeria of Babylon
- The Never Ending Story Book Store
- The James Restaurant
- Thai Station Café

Much good health and wonderful days and memories ahead to our Village residents during our 2024 summer season. Should you have any questions, concerns, or suggestions, please feel free to contact me at Village Hall **(631)669-1212** or certainly my cell phone at **(516)819-9596**.

Looking forward to seeing everyone and keep living, loving, and enjoying Babylon Village!

Warm regards,

Mayor Mary E. Adams

Crabbing permits are now due to be renewed and applications are available in the Village Clerk's office as well as on our website. The fee is \$5 for Babylon Village residents.

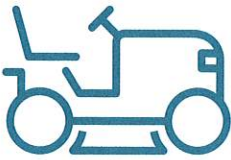

## NEWS FROM THE VILLAGE CLERK'S OFFICE

### TAX INFORMATION 2024-2025:

Tax bills will be mailed on or about **May 17th. If you do not receive your bill and your mortgage company does not escrow for payment, call The Tax Receiver's office at 631-669-1500.** If you recently purchased property, call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office. Taxes are due in full **June 1, 2024. The last date taxes are payable without penalty is July 1, 2024.**

After that date, a 5% penalty will be added for the first month and an additional 1% for each month thereafter until paid. Additional fees will also accrue as of **September 3, 2024.** Check the legal notice in THE BEACON or visit our website in May for a more detailed explanation.

**LANDSCAPERS:** All landscapers working in Babylon Village must

obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.* It is the responsibility of property owners to make sure any contractors hired are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

**Per Village Code, Chapter 210, Section 210-7C, landscapers must not leave yard waste, debris, bags or containers at the curb for trash pickup. It must be carried away and disposed of by the landscaping company in accordance with federal, state and local law. Failure to comply with this section of the code may result in the landscaping permit being revoked.**
