SANITATION CALENDAR

2025

Enclosed please find your 2025 Village of Babylon Sanitation Calendar and other helpful sanitation and recycling related information. Last January we rolled out our new sanitation schedule, receiving positive feedback throughout the year. This new sanitation system is more efficient, less stressful, and more cohesive for our Village residents, while also saving taxpayer money.

Babylon Village residents now have set and specific garbage/rubbish and household trash pickup days, as well as set recycling days, except for holiday weeks where days may alternate. **THERE IS NO GARBAGE, RUBBISH, OR RECYCLING COLLECTION ON SATURDAYS, SUNDAYS, OR HOLIDAYS.**

Please note, there is no set pick up time for garbage pickup. As per Village Code, all garbage/rubbish must be prepared and ready for pick up at 7am on your scheduled pickup day, see code below:

§ 302-3 Location of materials for collection; time for placement. [Amended 6-10-1986 by L.L. No. 3-1986; 6-22-2004 by L.L. No. 2-2004; 5-28-2024 by L.L. No. 7-2024]

Such refuse, rubbish, trash and other materials as are required to be placed at the curb for collection as set forth in the regulations of the Sanitation Department shall be placed between the curb and the sidewalk or property line not earlier than 6:00 p.m. on the day immediately preceding the day of collection and not later than 7:00 a.m. on the day of collection designated for the particular area, district or street. Except as aforesaid and on the designated day of collection, no refuse, rubbish, trash or other materials shall be placed, kept or maintained at the curb.

If you have questions, we ask that you please call our Sanitation Department at **631-669-4878**.

Wishing all our Village residents a very Happy and Healthy New Year!

Mayor Mary Adams and the Village Board of Trustees
